Sir:

Pursuant to a telephone discussion with Examiner M. Harvey on November 16, 2005, it was learned that the IDS filed May 18, 2000, was not in the PTO records.

Attached is a return receipt postcard showing receipt of this filing in the PTO on May 18, 2000. Also, attached is a copy of the IDS and 1449 form and of the two non-U.S. patent references cited therein. The IDS should be considered on the record and the application issued with expedience.

Respectfully submitted,
